Re: Bullying/Intimidation/Harassment Report – January 2026

Dear Families and Community Stakeholders,

Cornerstone Academy has very high expectations for its students. We are a diverse group of students and staff, and take reports of bullying, intimidation, and harassment very seriously in order to support a highly engaging and effective academic program.

Since August of 2025, our three campuses have had a combined total of 10 behavioral incidents that have been classified as bullying/intimidation/harassment. In each instance, the students have received counseling and assistance through our restorative justice practices, as well as consequences befitting the incident in alignment with school policies.

Thank you for your support, and if you have any questions, please feel free to call us at the numbers below.
